Way Back Into Love - Hugh Grant & Drew Barrymore

Hugh: "Way back into love, take one."

Drew: "Oh God, I'm getting really nervous."

Grant: "You'll be fine, just use your normal, nice voice I've heard so much over the last three days."

Drew: "It's like my throats closing up it's like anaphylactic."

Grant: "its fine it's just a three minute song. "

Drew: (sung softly) "I've been living with a shadow overhead

I've been sleeping with a cloud above my bed."

Grant: "Just a little bit louder 'cause this song is intended for humans o.k., way back into love take two."

I've been living with a shadow overhead
I've been sleeping with a cloud above my bed
I've been lonely for so long
Trapped in the past, I just can't seem to move on

I've been hiding all my hopes and dreams away
Just in case I ever need 'em again someday
I've been setting aside time
To clear a little space in the corners of my mind

All I wanna do is find a way back into love
I can't make it through without a way back into love
Ohhhhh

I've been watching but the stars refuse to shine
I've been searching but I just don't see the signs
I know that it's out there
There's got to be something for my soul somewhere

I've been looking for someone to shed some light
Not somebody just to get me through the night

I could use some direction
And I'm open to your suggestions

All I wanna do is find a way back into love
I can't make it through without a way back into love
And if I open my heart again
I guess I'm hoping you'll be there for me in the end

(Drew Laughing)
Grant: oh for heavens sake

Drew: "That's your serious Oh, Oh, Oh Face

Grant: "I don't think I can work with amateurs. That is my Rock n' Roll face millions of women find that very sexy, Oh you think That's funny."

There are moments when I don't know if it's real
Or if anybody feels the way I feel
I need inspiration
Not just another negotiation

All I wanna to do is find a way back into love
I can't make it through without a way back into love
And if I open my heart to you
I'm hoping you'll show me what to do
And if you help me to start again
You know that I'll be there for you in the end
