Written by Kit Hain
Sung by Ian Mason

Yo ho ho and a Yo ho ho
Yo ho ho and a Yo ho ho

We are the pirates.
We are the pirates.
Out on the ocean waves, we instill fear and loathing
(Loathing, we are very, very loathed.)
Marauders with shiny swords and very fancy clothing
(Clothing, we are very well clothed.)

Local supremacy is what we gun for.
We raise our flag and watch those cowards run.

We are the pirates. (Rulers of the high seas)
We can be irate. (Sometimes very nasty)
We wheel, (We deal),
We steal and thunder.
We loot, we shoot,
We sink 'em under.

We are the pirates. (Shoot, loot, plunder)
We can be irate. (Rip, tear asunder)
We are the pirates. (Yo ho ho)

Yo ho ho and a Yo ho ho

Aboard our sturdy galleon,
On the endless search for treasure (We just like to get
the treasure
map) Looking very fancy in our britches made to
measure Nothing we
like better than an all-in brawl, (Yeah) Locked in battle,
watch our
victims fall.

We can be irate. (Sometimes very nasty)
We wheel, (We deal),
We steal and thunder.

We loot, we shoot,
We sink 'em under.

We are the pirates. (Shoot, loot, plunder)
We can be irate. (Rip, tear asunder)
We are the pirates. (Yo ho ho)

Yo ho ho and a Yo ho ho

Nothing good for, good for nothing, rebels to last,
We rob, the skull and crossbones hanging from the
mast.

We are the pirates. (Rulers of the high seas)
We can be irate. (Sometimes very nasty)
We're mad, (We're bad), and unlawful.
We fight, (We bite), we're downright awful.

We are the pirates. (Shoot, loot, plunder)
We can be irate. (Rip, tear asunder)
We are the pirates (Ay, Ay Captain)
We can be irate. (Batten down the hatches)
We are the pirates (Yo ho ho)
We are the pirates (Yo ho ho)
The pirates
