Hi, hi! We're your Weather Girls, ah-huh
And have we got new for you, you better listen!
Get ready, all you lonely girls
And leave those umbrellas at home, alright!

Humidity is rising, barometer's getting low
According to all sources, the street's the place to go
'Cause tonight for the first time just about half-past ten
For the first time in history, it's gonna start raining men

It's raining men! Hallelujah! It's raining men! Amen!
I'm gonna go out to run and let myself get absolutely
soaking wet!
It's raining men! Hallelujah! It's raining men! Every
specimen!
Tall, blonde, dark and lean, rough and tough and
strong and mean

God bless Mother Nature, she's a single woman too
She took off to heaven and she did what she had to do
She taught every angel to rearrange the sky
So that each and every woman could find her perfect
guy

It's raining men! Hallelujah! It's raining men! Amen!
It's raining men! Hallelujah! It's raining men! Amen!

I feel stormy weather, moving in about to begin
Hear the thunder, don't you lose your head
Rip off the roof and stay in bed

God bless Mother Nature, she's a single woman too
She took off to heaven and she did what she had to do
She taught every angel to rearrange the sky
So that each and every woman could find her perfect
guy
It's raining men! Yeah!

Humidity is rising, barometer's getting low
According to all sources, the street's the place to go
'Cause tonight for the first time, just about half-past ten
For the first time in history, it's gonna start raining men

It's raining men! Hallelujah! It's raining men! Amen!
It's raining men! Hallelujah! It's raining men! Amen!
It's raining men! Hallelujah!
