All

Today we're living in a shanty  
Today we're scrounging for a meal

Sophie

Today I'm stealing coal for fires  
Who knew i could steal?

Men

I used to winter in the tropics

Women

I spent my summers at the shore

Fred

I used to throw away the paper--

All

We'd like to thank you: Herber Hoover  
For really showing us the way

We'd like to thank you: Herbert Hoover

You made us what we are today

Prosperity was 'round the corner

The cozy cottage built for two

In this blue heaven

That you

Gave us

Yes! We're turning blue!

They offered us AL Smith and Hoover

We paid attention and we chose

Not only did we pay attention

We piad through the nose.

In ev'ry pt he said "a chicken"

But Herbert Hoover he forgot

Not only don't we have the chicken

We ain't got the pot!

Hey Herbie

Women

You left behind a greatful nation

All

So, Herb, our hats are off to you

We're up to here with admiration

Sophie

Come down and have a little stew

All

Come down and share some Christmas dinner

Be sure to bring the missus too

We got no turkey for our stuffing  
We'd like to thank you, Herbert Hoover  
For really showing us the way  
You dirty rat, you  
Bureaucrat, you  
Made us what we are today  
Come and get it, Herb!
