I used to carry the weight of the world
and now all I wanna do is spread my wings and fly

I don't know why I was
So afraid all the time
Memories seemed
To bother me
My whole life

I used to carry the weight of the world
and now all I wanna do is spread my wings and fly
I used to carry the weight of the world
and now all I wanna do is spread my wings and fly

I don't know why I was
So ashamed
Such a waste of time
And I don't know
Who I was trying to be,
All those lies

I used to carry the weight of the world
and now all I wanna do is spread my wings and fly
I used to carry the weight of the world
and now all I wanna do is spread my wings and fly

Ohhh
and there's always something
somebody right behind
but we're not meant to be
everything
we're just a piece
so spread your wings, ohh

I don't know why I was so afraid
All the time

I used to carry the weight of the world
and now all I wanna do is spread my wings and fly
[repeat 3x]
[repeat again 2x]
