What time is it?
Summertime, it's our vacation
What time is it?
Party time, that's right, say it loud

What time is it?
The time of our lives, anticipation
What time is it?
Summertime, school's out scream and shout

Finally summer's here
Good to be chillin' out
I'm off the clock, the pressure's out
Now my girl's what it's all about

Ready for some sunshine
For my heart to take a chance
I'm here to stay, not movin' away
Ready for a summer romance

Everybody ready, going crazy, yeah
We're out
Come on and let me hear you say it now
Right now

What time is it?
Summertime, it's our vacation
What time is it?
Party time, that's right, say it loud

What time is it?
The time of our lives, anticipation
What time is it?
Summertime, school's out scream and shout

We've got no rules, no summer school
I'm free to shop till I drop
It's an education vacation
And the party never has to stop

We've got things to do, I'll see you soon
And we're really gonna miss you all

And I'll see you and you, and you and you
Bye, bye until next fall, bye, bye

Everybody ready, going crazy, yeah
We're out
Come on and let me hear you say it now
Right now

What time is it?
Summertime, it's our vacation
What time is it?
Party time, that's right, say it loud

What time is it?
The time of our lives, anticipation
What time is it?
Summertime, school's out scream and shout

No more wakin' up at six a.m.
'Cause now our time is all our own
Enough already, we're waiting
Come on, let's go out of control

All right, everybody, yeah
Come on, school pride, let's show it
The champions, we know it
Wildcats are the best, red, white and gold

When it's time to win, we do it
We're number one, we proved it
Let's live it up, party down
That's what the summer's all about

What time is it?
Summertime is finally here
Let's celebrate
We wanna hear you loud and clear now

School's out
We can sleep as late as we want to
It's party time
Now we can do whatever we wanna do

What time is it? It's summertime
We're lovin' it, come on and say, okay now
What time is it? It's party time
Let's go and have the time of our lives, let's go
