What time is it?

Summertime

It's our vacation

What time is it?

Party time

That's right, say it loud

What time is it?

The time of our lives

Anticipation

What time is it?

Summertime

School's out, scream and shout!

[Troy]

Finally summer's here

Good to be chillin' out

I'm off the clock

The pressures out

Now my girl's what it's all about

[Gabriella]

Ready for some sunshine

For my heart to take a chance

I'm here to stay

Not movin' away

Ready for a summer romance
[Troy and Gabriella]

Everybody ready, going crazy, yeah we're out

Come on and let me hear you say it now, right now
