Don't breathe too deep
Don't think all day
Dive into work
Drive the other way
That drip of hurt
That pint of shame
Goes away
Just play the game
You're living in America
At the end of the millennium
You're living in America
Leave your conscience at the tone
And when you're living in America
At the end of the millennium
You're what you own

(Lights up on ROGER.)

ROGER
The filmmaker cannot see

MARK
And the songwriter cannot hear

ROGER
Yet I see Mimi everywhere

MARK
Angel's voice is in my ear

ROGER
Just tighten those shoulders

MARK
Just clench your jaw till you frown

ROGER
Just don't let go

BOTH
Or you may drown

You're living in America
At the end of the millennium
You're living in America
Where it's like the Twilight Zone
And when you're living in America
At the end of the millennium
You're what you own
So I own not a notion
I escape and ape content
I don't own emotion -- I rent

MARK
What was it about that night

ROGER
What was it about that night

BOTH
Connection -- in an isolating age

MARK
For once the shadows gave way to light

ROGER
For once the shadows gave way to light

BOTH
For once I didn't disengage

(MARK goes to the pay phone and dials.)

MARK
Angel -- I hear you -- I hear it
I see it -- I see it
My film!

ROGER
Mimi I see you -- I see it
I hear it -- I hear it
My song!

MARK (on the phone)
Alexi--Mark
Call me a hypocrite
I need to finish my own film
I quit!

ROGER
One song--glory
Mimi

Your eyes...

BOTH

Dying in America

At the end of the millennium

We're dying in America

To come into our own

And when you're dying in America

At the end of the millennium

You're not alone

I'm not alone

I'm not alone

(Blackout
