What's this? What's this?
There's colors everywhere.
What's this?
There's white things in the air.
What's this?
I cant believe my eyes,
I must be dreaming
Wake up jack,this isnt fair.
What's this?

whats this?whats this?
there's something very wrong,
whats this?
there's people singing songs.
whats this?
the streets are lined with little creatures laughing,
everybody seems so happy
have i possibly gone daffy?
whats this?
whats this?

theres children throwing snowballs,
instead of heads
there busy biulding toys
and absolutely no ones dead.

there is frost on every window,
oh, i cant believe my eyes!
and in my bones i feel the warmth
thats coming from inside...

oh,look!
whats this?
they're hanging mistletoe
they kiss!
why that looks so unique.
inspired!
they're gathering around to hear a story
roasting chestnuts on a fire.
whats this?

whats this,

in here they've got a little tree.
how queer.
And who would ever think?
and why?
they're covering it with tiny little things,
they've got electric lights on strings
theres a smile on everyone,
so, now, correct me if im wrong,
this looks like fun,
this looks like fun!
oh,could it be i got my wish?
What's this!

oh my,what now?
the children are asleep.
but look.theres nothing underneath,
no ghouls, no witches here to scream and scare them
Or ensnare them,only cozy little things
Secure inside their dreamland.....
aaahhh...
whats this?

the monsters are all missing,
and the nightmares cant be found.
and in their place there seems to be
good feeling all around

instead of scream i swear
i can hear music in the air.
the smells of cakes and pies
are absolutely everywhere...

the sights!the sounds!
They're everywhere and all... around,
I've never felt so good before,
this empty place inside me is filling up,
i simply can not get enough

i want it,oh,i want it,
oh,i want it for my own.
ive got to know,
ive got to know,
what is this place i have found.
WHAT IS THIS?

Christmas Town?
Hhhhhmmmm.
