La, la, la, la.....

I'm wishing on a star
And trying to believe
That even though it's far
He'll find me Christmas Eve

I guess that Santa's busy
Cause he's never come around
I think of him
When Christmas Comes to Town

The best time of the year
When everyone comes home
With all this Christmas cheer
It's hard to be alone

Putting up the Christmas tree
With friends who come around
It's so much fun
When Christmas Comes to Town

Presents for the children
Wrapped in red and green
All the things I've heard about
But never really seen

No one will be sleeping on
The night of Christmas Eve
Hoping Santa's on his way

[Repeat previous two paragraphs]

When Santa's sleigh bells ring
I listen all around
The herald angels sing
I never hear a sound

When all the dreams of children
Once lost will all be found
That's all I want
When Christmas Comes to Town

That's all I want
When Christmas Comes to Town
