When I first saw you, I said, "Oh my"  
I said, "Oh my, that's a dream, that's my  
dream"  
I needed a dream when it all seemed to go bad  
Then I found you and I have had the most beautiful  
dreams  
Any man's ever had

When I first saw you, I said  
"Oh my, oh my, that's my dream, that's my  
dream"  
I needed a dream to make me strong  
You were the only reason I had to go on

You were my dream, all the things that I never knew  
You were my dream who could believe they could ever  
come true  
And who would believe the world will believe in my  
dreams too

When I first saw you, I said  
"Oh my, oh my, that's my dream"
