Where do I go...  
Every direction seems to be against the flow.. and  
Who will I be...  
and what does it mean to just believe...

[bridge:]  
So tired of having to choose  
Where I'll be and what i'm gonna do...

[chorus:]  
Lost in confusion and I feel like i'm loosin' it all  
Where do I go from here...  
With all this confusion....  
Now who's gonna break my fall...  
There's no one left to call  
Nothing is clear... where do I go from here

mmmm.. ohhhhhh

Did I let you down  
My good intentions never seem to come around  
and I have to believe... ohhhhh  
but there's an answer I can see

[bridge:]  
So tired of having to choose  
Where I'll be and what i'm gonna do...

[chorus:]  
Lost in confusion and I feel like i'm losin' it all  
Where do I go from here...  
With all this confusion....  
Now who's gonna break my fall...  
There's no one left to call  
Nothing is clear... where do I go from here

Ohhh.. I can't tell whats up or down  
My head is spinnin' all the time  
Everytime that i turn around there's another  
useless sign, I wanna know but I dont know  
which way i'm gonna go

Where will I gooo.. ohh yeaaaaa  
ohhhh.. where will i go  
ohhhhhhhhhhhhhhhh

[chorus:] [2x]

Lost in confusion and I feel like i'm losin' it all  
Where do I go from here...  
With all this confusion....  
Now who's gonna break my fall...  
There's no one left to call  
Nothing is clear... where do I go from here

Where do i goo.. mmm...  
Tell me where do i go
