I guess I could've sent a letter from the road  
With words that always meant more than updates on  
the phone  
The signals fading fast and the ink is running out  
The words look good in pen, but sound better from my  
mouth

[Chorus:]

Please hold me tightly, I don't care if I can breathe  
tonight  
Forget these lungs their jealousy your burning up,  
But I can't leave this all behind  
Forget these lungs their jealousy your burning up,  
But I can't leave this all behind

Behind your back talking like knives  
And I can hardly breathe  
Sharpen your tongue the rest of your life  
And I can not believe anything that you say

[Chorus:]

Please hold me tightly, I don't care if I can breathe  
tonight  
Forget these lungs their jealousy your burning up,  
But I can't leave this all behind  
Forget these lungs their jealousy your burning up,  
But I can't leave this all behind

So your the fire and I'm the water  
I am the balance and you are the color  
I wont forget you when we're not together  
This is the ending, it's my surrender

(So your the fire and I'm the water  
I am the balance and you are the color  
I wont forget you when we're not together  
This is the ending, it's my surrender)

[Chorus:]

Please hold me tightly, I don't care if I can breathe  
tonight

Forget these lungs their jealousy your burning up,  
But I can't leave this all behind  
Forget these lungs their jealousy your burning up,  
But I can't leave
