Whats wrong with the world mama  
Prople living like they aint got no mamas  
I think the whole worlds addicted to the drama  
Only attracted to things thatll bring ya trauma  
Over seas yea we trying to stop terrorism  
But we still got terrorists here livin  
...In the USA!  
The big CIA the bloods and the crypts and the KKK  
But if you only have love for your own race  
Then you only leave space to discriminate  
and to discriminate only generates hate  
And when you hate then u bound to get awrate  
yea  
Badness is what you demonstrate  
And thats exactly how anger works and operates  
But you gotta have love its to set us strate  
take control of your mind and meditate to the luv 'yall  
chorus:  
People killin  
People dyin  
Children hurt and women cryin  
When you practice what you preach  
and would u turn the other cheek  
father father father help us  
send some guidance from above  
cuz people ghot me got me questionin  
where is the love (6 times)

They just think the same  
Always in change  
new days are strange  
Is the world the same?  
If love and peace is so strong  
Why are there pieces of love that dont belong  
Nation droppin bombs  
Chamical gasses filling lungs ofliitleones  
ongoing sufferage  
as the youth die young  
so you ask your self  
Is the loving really gone  
so I can ask myself

Really what is going wrong in this world that we livin in  
people keep on givin in  
making wrong decisions from the visions that we livin  
inm  
respectin eachother  
The lands down under  
A war is goin on but the reasons undercover  
The truth is kept secret and swept under the rug  
If you never know truth then you never know luv  
wheres the love 'yall  
cum in  
I dint know  
Wheres the truth yall?  
I dont know  
Wheres the luv yall

Chorus

I feel the weight of the world on my shoulder  
As Im gettin older our people gets colder  
Most of us only care about money makin  
selfishness got ourselves followin the wrong dorection  
Wrong inmformation always shown by the media  
Negative images is the main criteria  
Infecting the young minds faster than bacteria  
Kinds wanna act like what hey see in the cinemas  
Whatever happened to the values of humainty  
whatever happened to the fairness and equality  
Instead of spreeding love we spreading animosity  
Liek thw eay were standing leading us away from unity  
Thats the reason why sometimes Im feeling under  
Thats the reason why sometimes Im feeling down  
Its no reason why sometimes Im feelin under  
Gotta keep the faith alive so luv us found

Chorus
