Crack that whip  
Give the past the slip  
Step on a crack  
Break your momma's back

When a problem comes along  
You must whip it  
Before the cream sits out too long  
You must whip it  
When something's going wrong  
You must whip it

Now whip it into shape  
Shape it up, get straight  
Go forward, move ahead  
Try to detect it, it's not too late  
To whip it, whip it good

When a good time turns around  
You must whip it  
You will never live it down  
Unless you whip it

No one gets their way  
Until they whip it  
I say whip it  
Whip it good
