I know you think that I shouldn't still love you  
I'll tell you that  
But if I didn't say it, well I'd still have felt it  
Where's the sense in that?

I promise I'm not trying to make your life harder  
Or return to where we were

I will go down with this ship  
And I won't put my hands up and surrender  
There will be no white flag above my door  
I'm in love and always will be

I know I left too much mess  
And destruction to come back again  
And I caused nothing but trouble  
I understand if you can't talk to me again

And if you live by the rules of ÆtÆœIt's overÆtÆœ  
Then I'm sure that makes sense

I will go down with this ship  
And I won't put my hands up and surrender  
There will be no white flag above my door  
I'm in love and always will be

And when we meet which I'm sure we will  
All that was then will be there still  
I'll let it pass and hold my tongue  
And you will think that I've moved on

I will go down with this ship  
And I won't put my hands up and surrender  
There will be no white flag above my door  
I'm in love and always will be

I will go down with this ship  
And I won't put my hands up and surrender  
There will be no white flag above my door  
I'm in love and always will be
