Another night again
Another journey without friends
Another a fight to wish away the loneliness I live

Another circus show
Another face that I don't know
Another night of people asking what I have to give

I thought that I would drown
But it's okay by now

And all along the way I feel a part of me I have to fight
Buried somewhere deep beneath my skin
The emptiness in me is fadin'
I can see my life is waitin'
Now I know I'm livin' for who I am

Now I know I'm livin' for who I am...

The fire grows inside
The feeling can not be denied
when everywhere I turn there's signs because they
push me

Well I was fallin' down
But it's okay right now

And all along the way I feel a part of me I have to fight
Buried somewhere deep beneath my skin
The emptiness in me is fadin'
I can see my life is waitin'
Now I know I'm livin' for who I am

When everything seems grey
When everyone is fake
No one really knows you

Look into their eyes
Rip off your disguise
Let 'em see the real you

And all along the way I feel a part of me I have to fight
Buried somewhere deep beneath my skin
The emptiness in me is fadin'
I can see my life is waitin'
Now I know I'm livin' for who I am

Now I know I'm livin' for who I am...
