I'm more than just
Your average girl.
I like to turn me up
And show the world.

Oh yeah!

Some like to talk the talk
This girl just wants to rock
I'm individual
I'm not like anyone
I can be glamorous
Just like you see in all the magazines
I can be cool as ice
Or anything I wanna be!

Who said, who said, I can't be Superman!
I say, I say, that I know I can
Who said, who said, I won't be president!
I say, I say, You ain't seen nothin' yet!

Oh yeah! Yeah!!

Ya wanna make some noise,
Every girl has a choice.
To live their own parade
I do it my way! Ow!
I can be soft and sweet
Or louder than the radio, radio
I can be sophisticated or totally go! Totally dull! out of
control Who said, who said, I can't be Superman!
I say, I say, that I know I can
Who said, who said, I'm not electrified
I say, I say!

There's no holding back
When your right on track
'cause you've been told again
So let them know your name
No limitations on imaginations
Imagine that.....
Who Said, who said, I can't be world wide

I say, I say, time is on my side
Who said, who said, I can't be ten feet tall,
I say, I say, that I can have it all

Who said, who said, I can't be Superman,
I say, I say, that I know I can
Who said, who said, I won't be president
I say, I say, you ain't seen nothin' yet!
You ain't seen nothin' yet!
Whoa!
Yeah!
Who Said?
C'mon! Yeah!!

That's right!
