### "Who Would Imagine a King"

Mommies and Daddies, always believe  
That their little angels are special indeed,  
And you could grow up to be anything,  
But who would imagine a king

A sheperd or teacher, is what you could be  
or maybe a fisherman out on the sea  
or maybe a carpenter, building things  
But who would imagine a king

It was so clear, when the wisemen arrived  
and the angels were singing your name,  
that the world would be different  
cause you were alive  
That's why heaven stood still to proclaim

One day an angel, said quietly  
that soon he would bring something special to me  
and of all of the wonderful gifts he could bring  
who would imagine, who could imagine, who would  
imagine a king

ooooooooooooo  
(mommy)
