Hmmm woah yea...

I feel these 4 walls closing in  
My face up against the glass  
I'm looking out... hmm  
Is this my life I'm wondering  
It happened so fast  
How do I turn this thing around  
Is this the bed I chose to make  
Its greener pastures i'm thinking about hmm  
Wide open spaces far away

All I want is the wind in my hair  
To face the fear but, not feel scared

[Chorus:]

Wild horses I wanna be like you  
Throwing caution to the wind  
I'll run free too  
Wish I could recklessly love, like I'm longing too  
Run with the wild horses, run with the wild horses!  
Ohh yeaaa yea

I see the girl I wanna be  
Riding bare back, care free along the shore  
If only that someone was me  
Jumping head first headlong without a thought  
To act and damn the consequence  
I wish it could be that easy  
But fear surrounds me like a fence  
I wanna break free

All I want is the wind in my hair  
To face the fear but, not feel scared  
Hoohhh woah woah

[Chorus:]

Wild horses I wanna be like you  
Throwing caution to the wind  
I'll run free too  
Wish I could recklessly love, like I'm longing too

I wanna run with the wild horses, run with the wild  
horses!  
Ohh yeaaa yea

I wanna run too.  
Hohhh woah oh woah oh

Breaklessly abandoning my self before you

I wanna open up my heart tell him how I feel

[Chorus:]

Wild horses I wanna be like you

Throwing caution to the wind

I'll run free too

Wish I could recklessly love, like I'm longing too

I wanna run with the wild horses, run with the wild  
horses! [X2]

Hooaah woah ohh woah

Yeeaaaah

I wanna run with the wild horses
