Without you the ground thaws  
The rain falls, the grass grows  
Without you the seeds root  
The flowers bloom, the children play

The stars gleam, the poets dream  
The eagles fly without you  
The earth turns, the sun burns  
But I die without you

Without you the breeze warms  
The girl smiles, the cloud moves  
Without you the tides change  
The boys run, the oceans crash

The crowds roar, the days soar  
The babies cry without you  
The moon glows, the river flows  
But I die without you

The world revives  
Colors renew  
But I know blue, only blue  
Lonely blue, within me blue

Without you  
Without you the hand gropes  
The ear hears, the pulse beats

Without you, the eyes gaze  
The legs walks, the lungs breath  
The mind churns

The mind churns  
The heart yearns  
The heart yearns

The tears dry without you  
Life goes on but I'm gone  
'Cause I die without you

Without you

Without you  
Without you
