If I be so inclined to climb up beside you,
Would you tell me that the time just isn't right?
And if I ever find the key you hide so well,
Will you tell me that I can spend the night?

Leaving your smell on my coat, leaving your taste on
my shoulder
I still fail to understand what it is about this woman.

Yeah, Ooooh

If I could bottle up the chills that you give me
I would keep them in a jar next to my bed.
And if I should ever draw a picture of a woman
It is you that would come flowing from my pen.

Leaving your clothes on my floor, making me walk out
the door
And I still fail to understand what it is about this
woman.

Ooooh

Helplessly melting as I stand next to the sun
As she burned me, I am screaming out for more.
Drink every drop of liquid heat that I've become
Pop me open, spill me out on to the floor.

Leaving your smell on my coat, leaving your taste on
my shoulder
I still fail to understand, fail to understand.
Leaving your smell on my coat, Leaving your taste on
my shoulder
I still fail to understand what it is about this woman.

Yeah...Ooooh
