Hearts are worn in these dark ages
You're not alone in this story's pages
The light has fallen amongst the living and the dying
And I'll try to hold it in, yeah I'll try to hold it in

We part the veil on Archilles Sun
Stray from the straight line on this short run
The more we take, the less we become
A fortune of one that means less for some

I watch the Heavens but I find no calling
Something I can do to change what's coming
Stay close to me while the sky is falling
Don't wanna be left alone, don't wanna be alone

World's on fire and, it's more than I can handle
Tap into the water, I try and bring my share
I try to bring more, more than I can handle
Bring it to the table, bring what I am able

World's on fire and, it's more than I can handle
Tap into the water, I try and bring my share
I try to bring more, more than I can handle
Bring it to the table, bring what I am able
