She moved into my old apartment  
That's how we got this whole thing started  
She called and said that  
I had mail waiting there for me

I told her that I'd come and get it  
How could I know in just a minute  
That I'd be standing face to face  
With my own destiny?

Ohh, how we sat there talking just like we were old  
friends?  
Ohh, then I asked her can I see you again?

She said, "Yes" and I said,  
"Wow"  
She said, "When" and I said,  
"How about right now"  
Love can't wait then I asked if she believed in fate  
And she said, "Yes"

The days flew by just like a fast train  
And nothing else has been on my brain  
Except the thought of how she makes me  
The man I wanna be

And she's the one I long for a million reasons  
Loving her is just like breathing  
It's easy and it's obvious  
She was made for me

Ohh, then it happened one night looking in her eyes  
Ohh, when I popped the question much to my surprise

She said, "Yes" and I said,  
"Wow"  
She said, "When" and I said,  
"How about right now"  
Love can't wait then I asked if she believed in fate  
And she said, "Yes"

So we called a preacher

Family and friends  
And nothing's been the same since

She said, "Yes" and I said,  
"Wow"  
She said, "When" and I said,  
"How about right now"  
Love can't wait then I asked if she believed in fate  
And she said, "Yes", she said,  
"Yes"
