Just you and I  
Sharing our love together  
And I know in time  
We'll build the dreams we treasure

We'll be all right  
Just you and I

Just you and I, just you and I  
Sharing our love together  
And I know in time, and I know in time  
We'll build the dreams we treasure

We'll be all right  
Just you and I

And I remember our first embrace  
That smile that was on your face  
The promises that we made  
And now, your love is my reward  
And I love you even more  
Than I ever did before

Just you and I, just you and I  
We can entrust each other  
With you in my life, with you in my life  
They'll never be another

We'll be all right  
Just you and I

And I remember our first embrace  
That smile that was on your face  
The promises that we made  
And now, your love is my reward  
And I love you even more  
Than I ever did before  
We made it you and I
