Another day has gone, I'm still all alone  
How could this be you're not here with me?  
You never said goodbye, someone tell me why  
Did you have to go and leave my world so cold?

Everyday I sit and ask myself  
How did love slip away?  
Something whispers in my ear and says

That you are not alone  
For I am here with you  
Though you're far away  
I am here to stay

But you are not alone  
For I am here with you  
Though we're far apart  
You're always in my heart  
But you are not alone  
'Lone, 'lone  
Why, 'lone?

Just the other night  
I thought I heard you cry  
Asking me to come  
And hold you in my arms  
I can hear your prayers  
Your burdens I will bear  
But first I need your hand  
Then forever can begin

Everyday I sit and ask myself  
How did love slip away?  
Something whispers in my ear and says

That you are not alone  
For I am here with you  
Though you're far away  
I am here to stay

But you are not alone  
For I am here with you

Though we're far apart  
You're always in my heart  
For you are not alone

Whisper three words and I'll come runnin' and I  
And girl you know that I'll be there  
I'll be there

You are not alone  
For I am here with you  
Though you're far away  
I am here to stay

For you are not alone  
For I am here with you  
Though we're far apart  
You're always in my heart

For you are not alone  
For I am here with you  
Though you're far away  
I am here to stay

For you are not alone  
For I am here with you  
Though we're far apart  
You're always in my heart  
For you are not alone

Not alone, oh  
You're not alone, you are not alone  
Say it again, "You're not alone, you are not alone"  
Not alone, not alone  
You just reach out for me girl, in the morning, in the  
evening  
Not alone, not alone  
You and me, not alone  
girl, together, together, together
