Na, na, na, na
Na, na, na, na, yeah
You are the music in me

You know the words 'Once upon a time'
Make you listen, there's a reason
When you dream there's a chance you'll find
A little laughter or happy ever after

You're harmony to the melody
That's echoing inside my head
A single voice above the noise
And like a common thread you're pulling me

When I hear my favorite song
I know that we belong
Oh, you are the music in me

Yeah, it's living in all of us
And it's brought us here because
Because you are the music in me

Na, na, na, na, ohh
Na, na, na, na, na
Na, na, na, na
You are the music in me

It's like I knew you before we met
Can't explain it, there's no name for it
I say words I've never said
And it was easy because you see the real me

As I am you understand
And that's more than I've ever known
To hear your voice above the noise
And no, I'm not alone, oh, you're singing to me

When I hear my favorite song
I know that we belong, yeah, oh
You are the music in me

It's living in all of us

And it's brought us here because
You are the music in me

Together we're gonna sing, yeah
We got the power to sing what we feel
Connected and real
Can't keep it all inside, ohh

Na, na, na, na
Na, na, na, na, na
Na, na, na, na
You are the music in me

Na, na, na, na
Na, na, na, na, na
Na, na, na, na
You are the music in me

When I hear my favorite song
I know that we belong
You are the music in me

It's living in all of us
It's brought us here because
You are the music in me

Na, na, na, na
Na, na, na, na
Na, na, na, na
You are the music in me, yeah
