You had me, you lost me  
You're wasted, you cost me  
I don't want you here  
Messing with my mind

Spitting in my eyes and I still see  
Tried to keep me down, I'm breaking free  
I don't want no part in your next fix  
Someone needs to tell you this is it

Hey, listen you'll be missin' out on all my love and my  
kissing  
Make your mistakes on your own time  
When you come down, you're just no good to have  
around  
Instead of making money you took mine

You had me, you lost me  
You're wasted, you cost me  
I don't want you here  
Messing with my mind

I've realized in time  
That my eyes are not blind  
I've seen it before  
I'm taking back my life

You tried to trade on my naivety  
But the things you do and say, embarrass me  
See, once upon a time I was your fool  
But the one I leave behind is you

Hey listen, you'll be missin' out on all my love and my  
kissing  
Make your mistakes on your own time  
When you come down, you're just no good to have  
around  
Instead of making money you took mine

You had me, you lost me  
You're wasted, you cost me  
I don't want you here

Messing with my mind

I've realized in time  
That my eyes are not blind  
I've seen it before  
I'm taking back my life

Vodka and a packet of cigarettes  
That's all it used to be but now  
You're sniffing on snow when you're feeling low  
Suffocating dreams that could have been

Maybe for a minute I was down with that  
But it didn't take long for me to see the light  
You swore you had control of it  
But when I stepped back you slipped on your supply

You had me, you lost me  
You're wasted, you cost me  
I don't want you here  
Messing with my mind

I've realized in time  
That my eyes are not blind  
I've seen it before  
I'm taking back my life

Taking it back, I'm taking it back  
Taking back my life  
Taking it back, I'm taking it back  
Taking back my life

Ain't nobody got no business  
Stressing all the time  
Taking it back, I'm taking it back  
Taking back my life

You had me, you lost me  
You're wasted, you cost me  
I don't want you here  
Messing with my mind

I've realized in time  
That my eyes are not blind  
I've seen it before  
I'm taking back my life

Taking it back, I'm taking it back  
Taking back my life  
Taking it back, I'm taking it back  
Taking back my life

Ain't nobody got no business  
Stressing all the time  
Taking it back, I'm taking it back  
Taking back my life
