Never thought I would
But did it
Never thought I could
I did it like that
Did it like this
Did it like
Everybody knows
That we
Got something real, SHAWTY
I know what I feel
So shout it like that
Shout it like this
So listen up
Everybody knows
But you
Ohhhhh, ohhhhh
So here it goes

{CHORUS}

I never really noticed
It took a while for me to see
Playing back the moments
Now I'm starting to believe
That you could be
At the show and know
Everyone
But it's you that makes me sing
I may not know where we are
But I know who I am
Baby, I'm your biggest fan

ohhhhh, listen

Every time you smile
For me
It takes me a while
To bring myself back
'cause you're all that
And I just had to let you know
That I'm
Screaming out in the crowd
For 'ya

Can't be too loud
'cause I don't care
Let 'em all stare
I just want everyone to know
The truth
Ohhhhh, ohhhhh
it's only you

{CHORUS}

I never really noticed
Took a while for me to see {while for me to see}
Playing back the moments
Now I'm starting to believe {starting to believe}
That you could be
At the show
And know everyone
But it's you who makes me sing
I may not know where we are
But I know who I am
Baby, I'm your biggest fan

{RAP}

You showed up
And you looked so classy
Made me think twice
'Bout the way i was acting
You were there from
The start of it all
Like a dream came alive
Now I'm left in all
Stars shine
But your light is the brightest
And love flies
But your love is the highest
You're so sweet
That it drives me crazy
A summer like no other
You my L.A. Baby

{CHORUS}

No, I never really noticed
It took a while for me to see {while for me to see}
Playing back the moments
Now I'm starting to believe {starting to believe}
That you could be
At the show
And know everyone
But it's you who makes me sing
I may not know where we are
But I know who I am
Baby, I'm your biggest fan

Ooohh
Baby, I'm your biggest fan
Ooohh
'Cause you could be
At the show
And know everyone
But it's you who makes me sing
I may not know where we are
But I know who I am
Baby, I'm your biggest fan
