Your eyes  
As we said our goodbyes  
Can't get them out of my mind  
And I find I can't hide  
(From )

Your eyes  
The ones that took me by surprise  
The night you came into my life  
Where there's moonlight  
I see your eyes

How'd I let you slip away  
When I'm longing so to hold you  
Now I'd die for one more day  
'Cause there's something I should have told you  
Yes, there's something I should have told you

When I looked into your eyes  
Why does distance make us wise?  
You were the song all along  
And before the song dies

I should tell you, I should tell you  
I have always loved you  
You can see it in my eyes  
Mimi
