Your love is in me, in my life
and every song that I sing

Whenever I cry
You're there by my side
and You want me to know
all the little things
that I do for love will bring
peace to my heart

Your love is in me, in my life
and every song that I sing
and when I'm flying You're the wind
beneath my wings
Your love is in me
and I truly want the world to see
life is a beautiful thing
life is a beautiful thing

When darkness descends
You lend me a hand
and You show me the way
all the little things
that You do for love will bring
peace to the world

Your love is in me, in my life
and every song that I sing

and when I'm flying You're the wind
beneath my wings
Your love is in me
and I truly want the world to see
life is a beautiful thing

Your love within me
makes me strong
Your love within me
sets me free

Your love is in me, in my life
and every song that I sing

and when I'm flying You're the wind
beneath my wings
Your love is in me
and I truly want the world to see
life is a beautiful thing
(is a beautiful thing)

Your love is in me, in my life
and every song that I sing
and when I'm flying You're the wind
beneath my wings
Your love is in me
and I truly want the world to see
life is a beautiful thing
(is a beautiful thing)
life is a beautiful thing
