(You're all I need to get by)
(You're all I need to get by)
Like the sweet morning dew
I took one look at you
And it was plain to see
You were my destiny

(You're all I need to get by)
With my arms open wide
I threw away my pride
I'll sacrifice for you
Dedicate my life to you

I will go where you lead
Always there in time of need
And when you lose your will
I'll be there to push you up the hill

There's no, no looking back for us
We got love sure enough, that's enough
You're all, you're all I need to get by

(You're all I need to get by)
(You're all I need to get by)
Like an eagle protects his nest
For you I'll do my best
Stand by you like a tree
And dare anybody to try and move me

(You're all I need to get by)
Darling in you I found
Strength where I was torn down
Don't know what's in store
But together we can open any door

Just to do what's good for you
And inspire you a little higher
I know you can make a woman
Out of a soul that didn't have a goal

'Cause we, we got the right foundation
And with love and determination

You're all, you're all I want to strive for
And do a little more
All the joys under the sun wrapped up into one

You're all, you're all I need
You're all I need
You're all I need to get by
(You're all I need to get by)

(You're all I need to get by)
(You're all I need to get by)
(You're all I need to get by)
