Joy

Joy

It's a joy

Joy to be

To be near you

I want you here with me

It's a joy

Joy to be

To be near you

I want you here with me

Lady, can't you see just how much you mean to me

Get a thrill each time I'm near you

I get such a rush, I crave to feel your tender touch

Magic moment paradise, oh, baby

Life is too damn short to let you get up in

I'm here to say I need your love, oh, baby

There's no greater pleasure than you give to me

Here me, baby, I want you to know

It's a joy

Joy to be

To be near you

I want you here with me

It's a joy

Joy to be

To be near you

I want you here with me

Darling, don't you know, my heart longs to hold you do
Passion burns inside my mind
You're my fantasy, no other love can set me free
I'm glad to know that you're all mine, mine

Sailing through the night, I'll find the certain pleasures
A million stars feel like the moon, so full of love
Nothin' takes the place of romance since you came
All you need is you and me, baby

It's a joy
Joy to be
To be near you
I want you here with me

It's a joy
Joy to be
I wanna be near you
I want you here with me

It's a joy
Joy to be
To be near you
I-I want you here with me

It's a joy, oh, baby
Joy to be
To be near you
I want you here with me

We're meant to be and I know we can win
Times I feel like a kid on a Ferris wheel
You make my world go 'round and around
So much to live for and I'm livin' it now

Joy
Joy
Joy

James would say, "Uh"
Ooh
Mmm, mmm, mmm, mmm, mmm
Tell me what you like
Mmm, mmm...mmm
Mmm

Ah, baby
Tell me what you like
{Tell me what you like} Mmm
{I wanna be near you} Mmm, mmm
{So I can feel you} Mmm...hmm...

{Tell me what you like} Oh...
Come let me hold you, come let me squeeze you

Joy
Joy to be
Come let me kiss you
Oh, 'cause I miss you

{It's Joy} Joy
{Joy to be}
Oh, let me squeeze you
Oh, let me tease you

Joy
Joy to be, yeah
Have you, baby

Such a joy
Oh, joy
Oh, joy
Glad you're with me

Oh, joy
Oh, joy
Oh, yeah
Warm my heart, my soul, my everything, I love you,
baby

It's a joy, oh, babe
Joy to be
To be near you
Want you here with me

It's a joy, oh, joy
Joy to be, oh joy
To be near you
Want you here with me

It's a joy
Joy to be
