Should've stayed
Should've gone
Should've asked
Don't want to know
Who you thinkin' bout
(Who you thinkin' bout)

Shouldn't kiss
Shouldn't tell
Shouldn't have
Without farewell
What are you thinkin' bout
(What are you thinkin' bout)

What is it that keeps me hanging on to every word you
say
What is it that keeps me holding on to you

Because you are stuck in my head
Like my favorite song
You put the scene on pause
It still plays on as chapter three
It's hard to read
The words are slowly fading

Stop and go in a rush on a busy street
Bumper to bumper this empty seat
Without you here I get nowhere
I ask why not me

Could've been
Could've had
How could you do that and not like that
Who you think about
(Who you think about)

You couldn't wait
And you couldn't breath
You couldn't be sharing the same dream as me
Who are you thinkin' bout
(Who are you thinkin' bout)

What is it that keeps me hanging on to every word you
say
What is it that keeps me holding on to you

Because you are stuck in my head
Like my favorite song
You put the scene on pause
It still plays on as chapter three
It's hard to read the
Words are slowly fading

Stop and go in rush on a busy street
Bumper to bumper this empty seat
Without you here I get nowhere
I ask why not me

I wouldn't lie
I wouldn't cheated on you
I wouldn't do all the things that you do
I would never give your love away

So when you look in the mirror as I pass you by
You see yourself a lonely cry
Take a heart to look and see what is left inside
Why not me

Because you are stuck in my head
Like my favorite song
You put the scene on pause
It still plays on as chapter three
It's hard to read
The words are slowly fading

Stop and go in a rush on a busy street
Bumper to bumper this empty seat
Without you here I get nowhere
I ask why not me

Because you are stuck in my head
Like my favorite song
You put the scene on pause
It still plays on as chapter three
It's hard to read
The words are slowly fading

Stop and go in a rush on a busy street
Bumper to bumper this empty seat
Without you here I get nowhere
I ask why not me

Why not me (4x)
