(Okay, o-o-okay, okay, o-o-okay)

I couldn't live without you, no.
Couldn't see myself without you but it's over now.
I'm lost when I'm without you, yeah.
My heart just doesn't beat the same, I ain't got no one
to blame.
And when I'm alone, I tell myself, I'll make it on my own.

Like the lyrics of a sad song, Mine was feeling so
wrong.
If you could only hear the words I say.
When your heart beats beside me.
Without you, I can finally, I just want to hear you say
that you'll be okay.
You'll be okay.

(Okay, o-o-okay, okay, o-o-okay)

If I could turn back to us (Mm, oh)
Then maybe I could change the way I was.
Just to prove it to us, I can be all the man you need.
And you're still the only woman for me.
And when I'm alone, I tell myself, I'll make it on my own.

Like the lyrics of a sad song, Mine was feeling so
wrong.
If you could only hear the words I say.
When your heart beats beside me.
Without you, I can finally, I just want to hear you say
that you'll be okay.
You'll be okay.

V- let me in man. (Yo, that you'll be okay)
I'm here to show you, here to be okay.
She had left me so sick like Ne-Yo say, damn.
I'ma need a couple minutes to bounce back.
Love is more important then the money I found (yeah)
But it was too late, baby I know now.
When I saw you standing by the door like go now.
So cold like a snow cloud, so slow merry-go-round.

And when I'm alone, I tell myself, I'll make it on my own.
