Oh my look at that, stone cold foxy platnuim hair, short
skirt belly there, make a chick wanna hate make a boy
wanna stare, well

[Chorus]

Miss Hilton you must be worth a trillion bucks, get the
feelin u dont really give a ___, Miss Hilton i like the way
you push and glide, rollerskates on a social butterfly
woo!

Breeze by velvet ropes, ski this town like a bunny slope,
oh my there she goes, a long money girl with a short
line of cloths

[chorus]

Miss Hilton you must be worth a trillion bucks, whats
with you with your bosity all up in the club, Miss Hilton i
like the way you push and glide, rollerskates on a
social butterfly

come on

{Chorus x2}

Miss Hilton , Miss Hilton, Miss Hilton
