"A Simple Game"

As time goes by
You will see
That we're going to be free.
You and me,
We'll touch the sky,
Can you see
In your mind's eye

That we are one,
We're all the same
And life is just
A simple game?

There by your side I will be
When this crazy world is free,
Free from doubt
When it finds out
Exactly what we're meant to be,

That we are one,
We're all the same
And life is just
A simple game.

Thoughts of another day
Flashing through my head.
Thinking how life could be,
All of the things that our great men have said.

Be what we want to be,
What we deserve to be,
What we are meant to be.

As time goes by
You will see
That we're going to be free.

You and me,
We'll touch the sky,
Can you see
In your mind's eye

That we are one,
We're all the same
And life is just
A simple game?

We're gonna be free
[repeat to fade]
