Oh I dreamed last night I was hearing
Hearing your voice,
And the things you said well they left me
Left me no choice,
And you told me we had the power,
And you told me this was the hour,
But you don't know how,
If I could show you now.
Well I dreamed last night you were calling
Calling my name,
You were locked inside of your secrets
Calling my name,
And you told me lost was the key,
And you told me how you long to be free,
But that you don't know how,
Oh let me show you now.

Like a bird on a far distant mountain,
Like a ship on an uncharted sea,
You are lost in the arms that have found you,
Don't be afraid,
Love's plans are made,
Oh don't be afraid.

If there's a time and a place to begin love,
It must be now, let it go, set it free.

Oh I dreamed last night I was hearing
Hearing your voice,
Why did you say those things that have left me
Left me no choice?
When you told me we had the power,
Why did you tell me now was the hour?
But you don't know how,
Oh, let me show you now.

Like a bird on a far distant mountain,
Like a ship on an uncharted sea,
You are lost in the arms that have found you,
Don't be afraid,
Love's plans are made,

Oh don't be afraid.

If there's a time and a place to begin love,
It must be now, let it go, set it free.

Oh I dreamed last night I was hearing
Hearing your voice.
