Here I go again,  
Finding it so hard to explain  
The way I feel  
When I hold you near.  
Still it hurts when you cry.  
Maybe you think love has passed you by?  
Don't you know I need you so  
But I guess you need to know

I'm just a man, that's all I am.  
I'm just a man that's yours.  
I'm yours. You know I'm yours.

Life keeps changing key,  
I look to you, please look back at me.  
See I'm changing every day,  
Reaching out for happy days.

I'm just a man, that's all I am.  
I'm just a man that's yours.  
I'm yours. Simply yours.

Life keeps changing key,  
I look to you, please turn and look at me.  
You'll see I'm changing every day,  
In my search for happy days.

But then I'm just a man, that's all I am.  
I'm just a man, but I'm yours.  
Oh, I'm yours. I'm simply yours.
