"Let Me Go"

When I telephone you
Don't make out you're not at home;
It wouldn't hurt at all to answer the call.
When I hold you near,
When I call you 'dear',
You never seem to want to know me at all.

Oh baby,
Let me go.
If I stay around
Then you're gonna see my heart break.

I can't stand all this heartache

'Cause I love you so,
I find it hard to go,
Well, I can see a change in your ways

'Cause when I'm turning to
How much I think of you
You always look away in a gaze.

Oh baby,
Let me go.
If I stay around
Then you're gonna see my heart break.

I can't stand all this heartache

Like we lost
Every little of love you had for me, baby,
I'm doing, let me go [not sure of this line]
Let me go, let me go, this way,

When I telephone you
Don't make out you're not at home;
It wouldn't hurt at all to answer the call.

And when I hold you near,
When I call you 'dear',
You never seem to want to know me at all.

Oh baby,
Let me go.
If I stay around
Then you're gonna see my heart break.

And I can't stand all this heartache

You'd better let me go, baby,
Oh you'd better let me go, baby,
Oh yeah, let me go.
