The way you looked at me tonight,  
I've never seen that look  
In your eyes before.  
But, then again,  
I don't think I've ever looked,  
Had the time to spare,  
The will to share with you.  
What have I missed?  
What have I done?  
I'm gonna turn back the tide  
Like it's just begun.

Time changes,  
Time changes,  
Time changes for the better.

After all we've been through,  
Love don't come easy for me.

The way you looked into my eyes  
I could see the hurt.  
I saw through your disguise,  
Just give me time,  
I can make it up to you.  
Let me heal the pain,  
I'm scared of losing you.

What have I missed?  
Where have I gone wrong?  
If I could turn back the time  
So we've just begun.

Time changes,  
Time changes,  
Time changes for the better.

After all we've been through,  
Love don't come easy for me.

What have I missed?  
What have I done?

I'm gonna turn back the tide  
Like it's just begun.

Time changes,  
Time changes,  
Time changes for the better.

After all we've been through,  
Love don't come easy for me.  
Love don't come easy.

After all we've been through,  
Love don't come easy for me.  
Love don't come easy.
