Maybe,  
Maybe I'm wrong  
To go on thinking, to sing my sing.  
Maybe  
This world's falling down,  
Call up the trumpeters to knock the wall down.  
Someone who needs,  
Someone who feels,  
Someone who sees can find you.

Slowly,  
Slowly we walk,  
No harm in crying, no sense in talk.  
Slowly  
The ice melts away,  
Call on the choir to sing  
And turn no one away.

Someone who needs,  
Someone who feels,  
Someone who sees can find you.  
Someone who needs,  
Someone who feels,  
Someone who sees can find you.

Maybe,  
Maybe I'm wrong,  
The river holds its breath,  
The sea will keep its calm.  
Slowly,  
Slowly we turn,  
A look at where we've been,  
The juggler has to learn.

Someone who needs,  
Someone who feels,  
Someone who sees can find you.  
Someone who needs,  
Someone who feels,  
Someone who sees can find you.
