Why I am so nervous
Please explain to me
Why I can't sleep
I close my eyes to shelter
In the dark I try to hide
If you leave me on my own
I'm worried I could lose my way

In my mind confusion
I see you everywhere
But we don't speak
I try so hard to touch you
But you're always out of reach
If you walked right by
Would I see in it your eye
Would you turn away

Seems to me
I've been a long time
On this road
Has there been a sign
Another way
And I've passed it by
I don't know what it is that drives me on
Gotta keep movin'
Gotta keep movin' on

Bring it on home
Let's bring it on home - your love
Bring it on home
Let's bring it on home your love
Bring it on home
Let's bring it on home your love
Down parallel lines
Don't question faith
Don't answer lies

Tell me why I'm nervous
Please explain to me
Why I can't sleep
Please explain to me

Why you're always out of reach
If the water ran dry
Would I see it in your eye
Would you walk away

It seems to me I've been a long time on this road
And I wonder why
Has there been a sign that points another way
And I've passed it by
I don't know what it is that drives me on
Gotta keep movin'
Gotta keep movin' on

Bring it on home
(straight lines before my eyes)
Let's bring it on home your love
Bring it on home
(straight lines before my eyes)
Let's bring it on home your love
Bring it on home
(straight lines before my eyes)
Let's bring it on home your love
Down parallel lines
Don't question faith

Don't answer lies
You know you gotta keep movin'
Bring it on home
(straight lines before my eyes)
Let's bring it on home your love
Bring it on home
(straight lines before my eyes)
Let's bring it on home your love
