Just ask me once,  
Don't ask me twice,  
Never ask me three times;  
I don't give that much advice.  
I took my chance at the first opportunity  
To wander through this world  
And to do what comes naturally.  
Once is enough,  
Just ask me once.  
Once is enough,  
Just ask me once.

Sometimes you're first,  
Sometimes you're last  
Then again you're somewhere  
In your "Days of Future Passed".  
If you can find yourself and know just where you are  
Don't let the wind turn you,  
You're stronger than you think you are,

Once is enough,  
Just ask me once.  
Once is enough,  
Just ask me once.

Once I was rich,  
Once I was poor,  
Once I was no-one.  
I ain't no-one anymore.  
Once in a lifetime there's a chance that comes your  
way;  
Take it with both hands and be somebody for a day.

Once is enough,  
Just ask me once.  
Once is enough,  
Just ask me once.
