"Out And In"

Gazing past the planets
Looking for total view
I've been laying here for hours
You gotta make the journey out and in

Wonders of a lifetime
Right there before your eyes
Searching with this life of ours
You gotta make the journey out and in
Out and in, out and in

Will you think it's a joke
That's all right
Do what you want to do
I've said my peace
And I'll leave it all up to you

Wonders of a lifetime
Right there before your eyes
Searching with this life of ours
You gotta make the journey out and in
Out and in, out and in

Will you think it's a joke
That's all right
Do what you want to do
I've said my peace
And I'll leave it all up to you

Gazing past the planets
Looking for total view
I've been laying here for hours
You gotta make the journey out and in
Out and in, out and in
Out and in, out and in
