"Remember Me"

You don't need to ask me if I'll be your friend.
I am. I am.
You don't need to ask me if I'm sure my friend.
I am.
I am your friend,
You must remember me.
I'm the one who saw through the world's disguise,
Took away its cloak and made it hide
From me.
Remember me?

Walking on this Earth, finding you,
You, you.
Walking on this Earth, finding you,
You, you.
What can I say?
You don't need to find the words to say what's on your
mind.

If you need a reason to begin again,
I am. I am.
You will find an answer at your journey's end.
I am
Waiting there, my friend,
You must remember me,
I'm the one who knew you when,
I'm the one you call your friend,
Feel free,
Remember me.

Walking on this Earth, finding you,
You, you.
Walking on this Earth, finding you,
You, you.
What can I say?
You don't need to find the words to say what's on your
mind.

Walking on this Earth, finding you,
You, you.
Walking on this Earth, finding you,

You, you.
What can I say?
You don't need to find the words to say what's on your
mind.

Walking on this Earth, finding you,
You, you.
Walking on this Earth, finding you,
You, you.

Walking on this Earth, finding you,
You, you.
You, you.
You, you.
