When the fantasy we live in
Lies in pieces on the ground
And there is no false illusion
That can turn your heart around,
Nothing can change the way I feel,
Nothing can take your love from me.
If only I didn't worry;
If only I could see;
If only I could see.
Chasing shadows on the wall,
Chasing shadows as they dance the floor
Chasing dreams that were forever young.
Now I'm on my own
Chasing shadows on the wall,
Shadows on the wall.

On the sea of mediocrity
Drifting from a distant shore,
No goodbyes, no celebration,
No one there to close the door;
Only the silence that I feel,
Only the lonely road is real,
If only I didn't lose you;
If only we could be;
If only we could be.

Chasing shadows on the wall,
Chasing shadows as they dance the floor
Chasing dreams that were forever young.
Now I'm on my own
Chasing shadows on the wall,
Shadows on the wall.

Chasing shadows on the wall,
Chasing shadows as they start to fall.
Chasing dreams that were forever young.
Chasing shadows on the wall,
Chasing shadows on the wall,
Chasing shadows as they dance the floor
Chasing shadows on the wall,
