Slings and arrows, slings and arrows  
Slings and arrows, slings and arrows  
No chance for a second chance  
When the arrows start to fly  
No way is an easy way  
To say goodbye  
No dream is ever lost  
If you never cease to try  
Never thought you would walk away  
From my side  
I just can't hide from  
Slings and arrows, slings and arrows  
Slings and arrows, slings and arrows

Life is ever changing  
Nothing stays the same  
Nothing in this whole wide world  
Can turn us back again  
Cos where we're standing now  
Is the point of no return  
Looking back on a world  
that's got to learn  
You just can't hide from  
Slings and arrows, slings and arrows  
Slings and arrows, slings and arrows

Love is the shield  
When you're standing  
With your back to the wall  
And if you turn around  
And walk away  
You're never gonna lose  
Cos love conquers all

No chance for a second chance  
When the arrows start to fly  
No way is an easy way  
To say goodbye  
No dream is ever lost  
If you never cease to try  
Never thought you would walk away

From my side  
I just can't hide from  
Slings and arrows, slings and arrows  
Slings and arrows, slings and arrows
