"Stop!"

So you talked to my girl
When I don't want you to,
Want you to.
Just the thought of you holding her
When I don't want you to,
Want you to
Won't do.
No, no, no,
It won't do, no.
Stop! Stop!
You're trying to break it up between us.
Stop! Stop!
Don't want a broken heart between us.

Oh please, forget about it.
Make your mind up
What you're going to do about us.

So you talk better than me
And you know, you know it, know you know it
And if you want to get her from me
And you know you know it, know you know it,
Won't do, no,
I'm telling you it won't do, no.

Stop! Stop!
You're trying to break it up between us.
Stop! Stop!
Don't want a broken heart between us.

Oh please, forget about it.
Make your mind up
What you're going to do about us.

Stop! Stop!
You're trying to break it up between us.
Stop! Stop!
Don't want a broken heart between us.

Oh please, forget about it.
Make your mind up

What you're going to do about us.

(repeat until fade out)

Stop! Stop!

You're trying to break it up between us.

Stop! Stop!

Don't want a broken heart between us...
