"When A Child Is Born"

A ray of hope flickers in the sky
A tiny spark lights up way up high
All across the land dawns a brand new morn
This comes to pass when a child is born

A silent wish sails the seven seas
The winds of change whisper in the trees
And the walls of doubt crumble, tossed and torn
This comes to pass when a child is born

A rosy hue settles all around
You've got the feel you're on solid ground
For a spell or two, no one seems forlorn
This comes to pass when a child is born

It's all a dream, an illusion now
It must come true, sometime soon, somehow
All across the land dawns a brand new morn
This comes to pass when a child is born.
